The Workflow Diagram

— from student project to published record

WORKFLOW
LAYER
OPERATIONS

GOAL

Map the operational journey. Fill the *Operational Hurdles* — the dashed boxes — to complete the live blueprint.

TEAM

INSTITUTION

DATE

01

CREATION • STUDENT

Student researches & designs a physical intervention.

e.g., Blackout Poetry, tipped-in counter-narrative page, parasite zine, vellum overlay.

05

DESCRIPTION • CATALOGERS

Update the MARC Record.
see *Worksheet 02*

590 local note, 6XX subjects, optional 856 surrogate, physical indicators.

02

SUBMISSION • STUDENT → LIBRARY

Student submits the artifact and a signed "Context Card".

Context Card declares pedagogical intent, intended permanence, and CC license.

06

Between Description and Access — physical prep, labels, routing?

PROCESSING • THE GAP

03

REVIEW • EDITORS

Apply the Acceptance Policy. see *Worksheet 01*

Decision: Permanent • Ephemeral • Rejected.

07

ACCESS • STACKS

Item is shelved for patron discovery.

04

Between Review and Description — what has to happen?

ACTION • THE GAP

08

How do we handle this item during future weeding or mending?

PRESERVATION • THE LONG TAIL
